Greetings!... With respect to my emails sent out in relation to my Copyright Registrations, Applications, and Deposits, I'm inquiring as to when all of my issues raised will be addressed, in addition to the mis-dated Registration date related to Application # 1-14608830361? The correct date should reflect as "December 29, 2024".

By chance the issues raised aren't effectively addressed in a timely manner, in accordance with law, I will have no other option but to pursue all issues raised within the appropriate Court at law.

Should there be any questions, please inform me by way of email at Dandridge.Barnett@gmail.com.

Respectfully,
/s/ Krista Dandridge-Barnett
